

● ● ● ABOUT DATA RECOGNITION CORPORATION (DRC)

Founded in 1978, DRC has maintained a tradition of excellence in educational assessment publication, administration, and reporting. DRC offers assessments for the pre-K, K–12, and adult education markets, across the U.S. and internationally. Our customers include state and national government agencies; public, private, and charter schools and districts; and other educational organizations. As one of the country's largest and most experienced assessment vendors, we serve millions of students and education professionals across the nation.

INDUSTRY LEADER AND FOCUSED PARTNER

Years of experience and dedication to state education clients have made DRC an industry leader at supporting the transition to assessment systems that measure college and career readiness. We deliver summative K–12 assessments; formative, diagnostic, and interim assessments; and adult education assessments across the nation.

- DRC has statewide assessment contracts in 20 states, as well as the WIDA consortium for English language learners (39 states, territories, and the Bureau of Indian Education).
- DRC delivers TABE®—the most comprehensive and well-respected assessment of adult basic education—in all 50 states.
- DRC has exclusive contracts to provide the TASC Test Assessing Secondary Completion™, a high school equivalency assessment, in New York, Indiana, and West Virginia. TASC is approved for use in 17 states.
- DRC's LAS Links® language proficiency assessments are administered across the country, including exclusive statewide contracts in Connecticut, Mississippi, and Puerto Rico.

DRC INSIGHT is the industry's most reliable online testing engine. Our proven system delivered over 32 million secure, online assessments in the 2016–2017 school year.
