

# DRC's Professional Learning

---

DRC's Professional Learning is a system designed to provide LEAs with a single robust, integrated platform of preLAS and LAS Links training courses. This virtual training platform is available 24/7 and provides 5 courses to choose from. Each course provides a certificate once the course criteria is met.

To access Professional Learning, go to [www.drccdirect.com](http://www.drccdirect.com) and click on All Applications >>
