Educator Scoring

To Score Student Data, choose the “Educator Scoring” application.

The screenshot shows the LAS Links application interface. At the top, there is a navigation bar with 'DRC INSIGHT', 'LAS LINKS', and 'MY APPLICATIONS' with a dropdown arrow. Below this, the main menu is organized into several sections: 'PARTICIPANT PREPARATION' (including Student Management, Student Group Management, Test Administrator Management, and User Management), 'TEST PREPARATION' (including Test Management), 'POST-TEST ACTIONS' (including Student Management), 'SCORING AND REPORTING' (including Educator Scoring, Report Delivery, and Interactive Reports), 'GENERAL INFORMATION' (including General Information), 'TECHNOLOGY SETUP' (including Central Office Services), and 'OTHER LINKS' (including Professional Learning and License Dashboard). The 'Educator Scoring' option is highlighted with a red box, and a red arrow points to the 'MY APPLICATIONS' dropdown menu.
